

E-Waste Management

Vinod Medical Systems Pvt. Ltd. has always endeavoured to adapt to global practices in manufacturing, trade, sales and service for the vast range of products that we offer to the Indian market. GO GREEN and ECO-FRIENDLY are terms which are synonymous with the life sustenance of the modern world and we as a Company would like to initiate a strong and reliable program to make our ENVIRONMENT more sustainable for future generations.

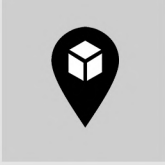

Vinod Medical Systems Pvt. Ltd. has been marketing Wide Format printers – Solvent, Eco-solvent and Inkjet Printers and specialized Cartridges to the Print and Photo industry. These industries are growing steadily across India and so, the consumption of these products is also considerable. Most of these printers have a lifecycle of 10 to 20 years. During this lifecycle, the consumers tend to replace items such as cartridges, PCBs and other electrical / electronic items due to wear and tear or after normal usage cycle. This e-waste needs to be properly disposed so as sustain the environment. In this regard, we have taken the responsibility to follow the norms and practices laid down by the Ministry of Environment and Forests (MoEF) through the E-waste (Management) Rule 2016 to tackle the E-waste.

In order that our customers contribute to resource conservation and prevent potential environmental hazards, we have made the arrangement for proper deposit of their old consumer durable products and its accessories at designated collection facilities identified by us.

Vinod Medical Systems Pvt. Ltd. has partnered with a leading disposal agency - Just Dispose Recycling Pvt. Ltd. registered with MPCB for management and dismantling / disposal of all our e-waste generated by our printer and cartridge consumer industry. They will comply with E-Waste Management and Handling Rules as stipulated in providing safe disposal of the E-waste.

GUIDE – HOW TO DISPOSE END-OF-LIFE PRODUCTS

The customer may do any of the following. :

 <p>Call our recycling Partner Just Dispose Recycling Pvt. Ltd. on Toll Free No. 18005722311 or +91 7768060001 to register a request for e-waste pick-up</p>	 <p>Visit their website www.justdispose.com or mail them on recycle@justdispose.com</p>
 <p>Call Vinod Medical Systems Pvt. Ltd. on Toll Free No. 1800 202 1988 or +91 9826175753 or WhatsApp or send SMS on +91 9826175753.</p>	 <p>Drop the e-waste at the nearest collection point of Justdispose Recycling Pvt. Ltd. as listed below or request for pick up from their premises.</p>

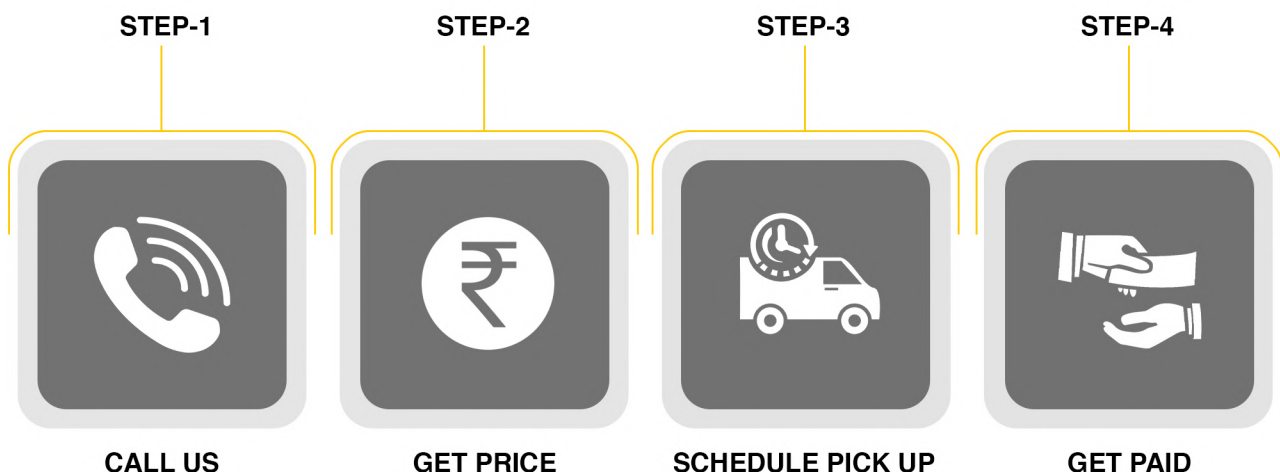

Our Recycling Partner has entered into an agreement with **Fast Cargo Services** and **M K Cargo Services** for Reverse Logistic to transport customer's e-waste for proper disposal or recycling to ensure environmentally sound management of electronics that have reached their end-of-life phase. The E-waste collected through this channel will be sent to the nearest authorized Dismantler / Recycler station.

Depending on the product type, age and condition, the **Just Dispose Recycling Pvt. Ltd.** representative will evaluate the residual value of the electronic product/s and inform the same to the customer.

On customer's acceptance of the offer, the **Just Dispose Recycling Pvt. Ltd.** representative will let them know the multiple options to handover the product depending on their location and state to choose from i.e., drop the product at nearest collection point or collection centre.

Customer will be paid according to the mode of payment indicated at the time of making the request. Multiple options are available to choose i.e.: Paytm, IMPS, NEFT, etc.

TAKE BACK SCHEME:

Promotional schemes for buy-back of end-of-life units from customers will be updated on our website www.vinodmedical.com from time to time. Customers may opt for these schemes whenever these are uploaded on our website.

Upon accepting the schemes, customers may follow any one of the guidelines for disposal of e-waste as mentioned above under **GUIDE – HOW TO DISPOSE END-OF-LIFE PRODUCTS.**

DO'S & DON'T

DO'S :

- Always look for information on the catalogue that comes with your product for end-of-life equipment handling.
- When your product reaches its end-of-life cycle, it should be disposed properly for recycling to protect the environment.
- All electrical and electronic products after its end-of-life cycle, are required to be handed over only to the authorised collection centre / points / dismantler / recycler as per information provided on our website or by calling **Just Dispose Recycling Pvt. Ltd. on Toll Free No.18005722311 or +91 7768060001 or call Vinod Medical Systems Pvt. Ltd. on Toll Free No. 1800 202 1988 or +91 9826175753 or WhatsApp or send SMS on +91 9826175753**
- Keep the product in isolated area, after it becomes non-functional / un-repairable so as to prevent accidental breakage / wrong use.
- Always drop your used electronic products, batteries or any accessories when they reach the end-of-life cycle at your nearest authorized E-waste collection centres / points.

DON'T :

- The product should be opened in the presence of the authorised service personnel.
- The product is not meant for re-sale by any unauthorised agencies / scrap dealers / kabariwallas.
- Do not keep any replaced spare part(s) from the product in exposed area.
- Do not store un-used Electrical and Electronic Equipment in your premises for duration longer than necessary.
- Do not discard electronics products in normal household waste stream and in areas having the 'Do not Dispose' sign.
